

§ 225.5

2 CFR Ch. II (1–1–09 Edition)

§ 225.5 Purpose.

This part establishes principles and standards for determining costs for Federal awards carried out through grants, cost reimbursement contracts, and other agreements with State and local governments and federally-recognized Indian tribal governments (governmental units).

§ 225.10 Authority.

This part is issued under the authority of the Budget and Accounting Act of 1921, as amended; the Budget and Accounting Procedures Act of 1950, as amended; the Chief Financial Officers Act of 1990; Reorganization Plan No. 2 of 1970; and Executive Order No. 11541 (“Prescribing the Duties of the Office of Management and Budget and the Domestic Policy Council in the Executive Office of the President”).

§ 225.15 Background.

As part of the government-wide grant streamlining effort under Public Law 106–107, Federal Financial Award Management Improvement Act of 1999, OMB led an interagency workgroup to simplify and make consistent, to the extent feasible, the various rules used to award Federal grants. An interagency task force was established in 2001 to review existing cost principles for Federal awards to State, local, and Indian tribal governments; colleges and universities; and non-profit organizations. The task force studied “Selected Items of Cost” in each of the three cost principles to determine which items of costs could be stated consistently and/or more clearly.

§ 225.20 Policy.

This part establishes principles and standards to provide a uniform approach for determining costs and to promote effective program delivery, efficiency, and better relationships between governmental units and the Federal Government. The principles are for determining allowable costs only. They are not intended to identify the circumstances or to dictate the extent of Federal and governmental unit participation in the financing of a particular Federal award. Provision for profit or

other increment above cost is outside the scope of this part.

§ 225.25 Definitions.

Definitions of key terms used in this part are contained in Appendix A to this part, Section B.

§ 225.30 OMB responsibilities.

The Office of Management and Budget (OMB) will review agency regulations and implementation of this part, and will provide policy interpretations and assistance to insure effective and efficient implementation. Any exceptions will be subject to approval by OMB. Exceptions will only be made in particular cases where adequate justification is presented.

§ 225.35 Federal agency responsibilities.

Agencies responsible for administering programs that involve cost reimbursement contracts, grants, and other agreements with governmental units shall issue regulations to implement the provisions of this part and its appendices.

§ 225.40 Effective date of changes.

This part is effective August 31, 2005.
